Dear Parent/Carer

Year 10 GCSE Geography Field Trip to Cullingworth

We are taking all Year 10 Geography pupils on a compulsory field trip to Cullingworth. Pupils will complete an investigation into the changing characteristics of a stream as part of their GCSE course and will collect data using a variety of techniques.

The dates and times for the class trips are as follows:

Monday 19 March 2018:

Mr Trusselle's class (10L) – 7.50am – 11.50am & Mrs Stevens' class (10S) 12.00pm – 4.00pm

Tuesday 20 March 2018:

Mr McDonald's class (10A) – 7.50am – 11.50am & Mrs Varley's class (10T) 12.00pm – 4.00pm

Pupils will register in Café Beans at 7.50am if they are in the morning groups. If your child is in the afternoon group, they will need to bring a packed lunch (school will provide one for any pupil on Free School Meals). Please note that the afternoon groups will return to school at 4:00pm. It is important that every pupil attends on the allocated day and time as this corresponds with the correct number of minibus seats available.

It is vital that your child attends this compulsory field trip as they will be examined on this work in their GCSE exams and this will be significantly harder without visiting the places and collecting primary data. For the majority of the field trip we will be working outside so it is important that your child **brings a coat or waterproof and appropriate footwear (walking boots/wellies)** with them on the day as the ground they will be walking on will be extremely muddy in places. Pupils should also bring a camera or camera phone with them in order to take photos of their work. Pupils have permission to be in non-school uniform for the entire school day.

Please return the reply slip below to Pupil Services no later than **Friday 9 March 2018**.

Yours sincerely

Mrs L Stevens
Leader of Geography
