

Dear Parent/Guardian,

Would you like to help your Son/Daughter make well-informed choices about their future study and careers?

Let's work together to inspire the next generation of Scientists, Engineers and world changers.

The [Engineering Development Trust](#) (EDT) has arranged an insightful local course over the May half term [29th May – 31st May 2018], collaborating with; **Bradford College, University of Bradford,** and **Schneider Electric** to deliver their [Routes into STEM](#) programme.

What is Routes into STEM?

Routes is an innovative 3 day course which provides young people aged 13 to 15 (Year 9 & 10) with an understanding of the amazing opportunities offered by **STEM** based careers (Science, Technology, Engineering and Maths).

The course allows your child to engage with a **college**, a **university** and a **company** who have put together an interesting agenda to showcase STEM courses, apprenticeships, degrees and careers, giving your child the best chance to make informed decisions and to meet role models.

Day 1: [Bradford College](#) – 29th May 2018

Day 2: [University of Bradford](#) – 30th May 2018

Day 3: [Schneider Electric](#) – 31st May 2018

Benefits include:

- Engages all students no matter their academic level
- Practical taster sessions of STEM courses at College and University helping with decision making
- Visualisation of future STEM career opportunities and how to access them through apprenticeship & graduate schemes
- Gaining a bronze industry-led accreditation from [Industrial Cadets](#) (Inspired by HRH The Prince of Wales)
- Meet role models, understand their day to day lives and have an opportunity to ask any burning questions.

Course fee, bursaries & other support: The course costs **£135** for all 3 days including the Industrial Cadets accreditation fee.
