

19 April 2018

Dear Parent/Carer

Year 12 Work Experience and Enrichment Programme: 9 - 20 July 2018

We are providing Year 12 learners with the opportunity to spend two weeks immersed in a work experience and enrichment programme that we are confident they will find inspiring, insightful and exciting.

By completing a one or two week work placement, learners gain an invaluable opportunity to experience a taste of their preferred employment sector; supporting future career aspirations and their understanding of how favourably future employers or higher education admissions officers see applicants who have completed such a placement.

In order to secure an appropriate opportunity for your son/daughter they will be given a Consent Form for you to sign next week. This form must then be returned to Mrs Kogut in the Sixth Form centre by Friday 4 May. Learners will be expected to find their own work placements and then complete an Own Placement Form (OP1) in conjunction with their placement provider.

During this fortnight there will also be a variety of enrichment activities to try out in place of timetabled lessons...we are looking into offering tasters for circus skills, caving, climbing, karting, first aid, sign language and much more!

It promises to be a valuable and interesting two weeks.

If you have any questions about work experience, please do not hesitate to contact me.

Yours sincerely

Kevin Bird
Work Experience Co-ordinator
