

November 2019

Dear Parent/Carer

National Anti-Bullying Week 2019

As part of the national anti-bullying week the school will be holding anti-bullying assemblies for each year group commencing Monday 11 November 2019. The theme this year is 'Change starts with us'. We are wanting all our pupils to consider how they treat each other and how they would like to be treated. Our statement is 'Step Back', 'Small Change', 'Big Difference'. During the assemblies we will be reminding pupils of what support is out there and how to report incidents of bullying.

We will also be inviting pupils who are passionate about anti-bullying to join our school's anti-bullying focus group. The anti-bullying focus group also invites parents to be active members.

Please contact Mrs Punt, Leader of Pupil Support or Mrs Wilby, Transition Co-ordinator on big@titussaltschool.co.uk or via the main school contact number 01274 258969 if you are interested. Any concerns regarding bullying at Titus Salt School please contact the year teams or contact the anti-bullying focus group via the email above.

We are one of only a small number of schools in Yorkshire who have been successful in achieving the nationally recognised BIG Award for our high standard of work in tackling bullying.

We thank you for your continued support.
