

Dear Parent/Carer

Bronze Duke of Edinburgh Award

As a result of the ongoing Covid-19 situation, we will be unable to run any Bronze Duke of Edinburgh Expeditions this academic year. We understand that this is disappointing for the pupils but it is unavoidable with the current restrictions in place.

It is really pleasing to see that many of the participants are continuing with the various sections of the award; I have seen lots of evidence of cooking, music, bike riding, fitness and fundraising being added to eDofE. I would really encourage all participants to continue with the various sections of the award, as it is very important to keep active during these times. As I said in my previous letter, there are various ways that the sections can be continued with and all participants have been added to a Teams group that has guidance on how to change activities and to continue safely.

It is currently not possible to make a decision on how we will be able to offer the expedition section of the award during the next academic year but I will write to you in September with further details of how we will be proceeding. In the meantime, if you have any further questions please do not hesitate to contact me.

Kind regards

Greg Trusselle
Leader of Outdoor Education
