Dear Parent/Carer

Examination Contingency Day Wednesday 26 June 2019

We have received notification through publication of the new rules for conducting exams from the Joint Council for Qualifications (JCQ) that one of the changes this year is a new section on contingency planning. Should there be an incident locally or nationally that means an examination could not take place the JCQ have agreed with all the examination awarding bodies a **designated contingency date of Wednesday 26th June 2019**. This means that all pupils in Years 11 and 13 need to be available on this date to sit an examination that may have not taken place on a day during the usual examination period due to a local or national incident that stops examinations taking place for a day.

The link below details the official date:

On behalf of all TSS staff, I would like to take the opportunity to thank you all for your support throughout what has been another successful term.

I wish you all a peaceful festive time and a very happy New Year.

Yours sincerely
