

Lauren Chapman

Q) What did you study at TSS?

I studied A Level Maths, Biology and Chemistry in the Sixth Form.

Q) What are you doing now?

I'm a Marine Vertebrate Zoology student at Bangor University in Wales.

Q) What did you study after TSS?

After A Levels I went to Guyana for a year to teach. The experience made me appreciate the education system here in the UK.

Q) Which teachers inspired you?

Miss Easton and Mr Sendrove. They were so willing to give up their personal time to help others progress.

Q) Have you a piece of advice for our current students?

When the time comes, study! It feels great to achieve the grades you need.
