

Lauren Hibbert

Q) What did you study at TSS?

I did A Levels in Geography, Art and Economics.

Q) What are you doing now?

I'm a hairdresser and nail technician. I work on a selfemployed rent-a-chair basis so I'm my own boss but work as part of a team. I'd love my own salon one day!

Q) What did you study after TSS?

I did an Apprenticeship in Hairdressing at Craven College, and gained qualifications in Hairdressing and Nail Technology.

Q) Have you a piece of advice for our current students?

Follow your own path: the next step for each person after A Levels is different.
