4 September 2020

Dear Parent/Carer

Further to my letter of 2 September 2020 regarding facemasks, I received a communication from one of our pupils who eloquently made the case for facemasks that may be brightly coloured or have some acceptable small pattern to them. In my letter I advised on plain coloured facemasks which can be any colour and we accept that some patterned facemasks may make pupils feel comfortable wearing them. We will not accept facemasks with logos or have prints or patterns that could cause offence.

Today we welcomed our new Year 7 pupils and the entry to school, although at times busy, went very smoothly and our pupils have settled in well and have followed all of our COVID-19 control measures.

As Monday 7 September 2020 is the first day for all other year groups, we ask that pupils arriving between 12.30pm and 1.00pm enter the site by the roundel car park as previously advised and go straight to the Year Group Zone where they will be informed of their form room and be required to use hand sanitiser.

The Zones to Year Groups are:

1. Year 11 Zone 1 in Humanities
2. Year 10 Zone 3 in MFL
3. Year 8 Zone 4 in Science
4. Year 9 Zone 5 in Maths

Once again, I appreciate your support in these matters.

Yours sincerely

Ian Morrel
