

28 January 2016

Dear Parent/Carer

## **GCSE English Literature: Controlled Assessment Day Tuesday 2 February 2016**

Our next whole school Personal Development Day is on Tuesday 2 February and we have planned for all of Year 11 to focus on their GCSE controlled assessment in English Literature. Every student is expected to attend.

The day is designed to help each student improve their English Literature grade through controlled assessment work on the topics of Shakespeare and poetry. The coursework is worth 25% of the overall grade so we hope that students will work hard on the day to boost their final GCSE grade in English Literature. Our school will provide all materials and have expert teachers to deliver a structured and purposeful day.

Students will be given information in their English lessons this week about where they will be working on the day. I hope you will support us and make sure your son/daughter attends and is on time.

Please do not hesitate to contact one of us at school if you would like to discuss further.

Yours sincerely

**Mr R Scott**

**Mrs L Woods**

**Mrs S Hill**

**Academic & Curriculum Leaders English**
