Dear Parent/Carer

Relationship Education: Parent and Carers Feedback

From September 2020, Relationship Education will become statutory in all maintained primary and secondary schools in England. Titus Salt School has adopted the Local Authority's model policy which has been developed in consultation with Bradford SACRE (Standing Advisory Council for Religious Education), the Council for Mosques and Bradford Equity Partnership in order to support the delivery of relationships education that is age appropriate and respectful of faith and diversity. The model policy is consistent with the requirements set out in the DfE 2019 statutory guidance on relationships and sex education.

Further information can also be obtained from the Department for Education <https://www.gov.uk/government/news/relationships-education-relationships-and-sex-education-rse-and-health-education-faqs>

As part of the policy development process, parents and carers are invited to review the policy and forward any comments or questions to the school.

Please can I ask that you read the attached policy and, if you wish, send any comments or questions to school via the office email: enquiries@titussaltschool.co.uk before Monday 30 March 2020.

Please put 'Relationship Education Feedback' as the subject of your email.

Yours sincerely
