

11 January 2016

Dear Parent/Carer

Rewards 2016

Each year we organise a range of rewards for students as part of our Positive Behaviour Strategy. One of the annual rewards is an opportunity to go on a 'Rewards Trip'; which typically has been to Alton Towers and Flamingoland.

To qualify for the reward, **students must achieve at least 96% attendance and not receive any sanctions higher than three whole school detentions between 11 January and 20 May 2016.** Certain authorised absence may be taken into consideration.

Please note that attendance and behaviour will also be monitored after 20 May. If there are any concerns regarding qualifying for the reward parents/carers will be informed.

In June we will write to those students who qualify to go on the Rewards Trip with more information, including payment details.

Yours sincerely

Ms Dutton-Taylor
Assistant Headteacher
