

25 September 2018

Dear Parent/Carer

Steps to Success Evening – Year 11

We would like to invite you to attend our Steps to Success evening on **Tuesday 2 October commencing at 6.00pm**. The evening focuses on support available for GCSE English and Maths. Free resources will be available and an outline of the new GCSE courses and linear exams. **The Steps to Success Evening is for parents and carers only, so pupils need not attend.**

At this important time, parents/carers and teachers are all doing as much as possible to support and motivate our pupils to attain a **minimum of grade 5** (this is the equivalent of an high grade C in the old specifications) in these two key subjects. We all understand how crucial they are in improving progression and career opportunities and this evening will give you the chance to find out in-depth, how and what the children are studying.

The first 45 minute session will be delivered by Ms Chillington (English) followed by Mr Sendrove (Maths). Both colleagues have previously supported parents and carers in making a considerable difference to pupils English and Maths GCSE results. The emphasis will be on providing you with key information and tips for your child's successful revision schedule and there will be opportunities for questions and discussion.

GCSE English presentation – 6:00pm (Main Hall)

GCSE Maths presentation – 6:45pm (Main Hall)

We would be most grateful if you could complete the slip below and return to Pupil Services; this will allow us to plan effectively for a successful event and provide sufficient refreshments.

Please don't hesitate to contact Mr Atkinson (Year 11 Leader) or Miss Downey (Assistant Year Leader) if you would like further details regarding our Steps to Success Evening.

Yours sincerely

Richard Foster
Deputy Headteacher
