

Inclusion Support Assistant

together resilient ambitious caring

Welcome from the Headteacher

Dear Candidate

Thank you for responding to our advert for the position of Inclusion Support Assistant at Titus Salt School, I hope you find all the information you need in this booklet to support your application. I wanted to take this opportunity to introduce myself and the school and assure you that should you be successful in applying for the role you will enjoy the full support of an ambitious SLT, superb staff and an excellent team of Governors. More importantly you will have the opportunity to work with an inspirational pupil and student body full of character, talent and potential.

Titus Salt is a fantastic school where everybody is valued and cared for, and I am incredibly proud to lead such a wonderful institution.

I passionately believe that Education is the single most important factor in both enabling young people to achieve of their full potential and ensuring equality of opportunity for all. It is in this spirit that we seek to appoint an inspirational and ambitious Inclusion Support Assistant to help drive forward the next stage of our development.

At Titus Salt School we enjoy an excellent reputation for the quality of education we provide and pride ourselves on our ethos which is summarised in our TRAC values, Together, Resilient, Ambitious and Caring.

Inclusivity and Ambition for all define us and we strive hard every day to give the best opportunities to every child in our care. Titus Salt School is proud to serve the community now as it has done for over 150 years.

Please take your time to read through the application pack and if you have any questions please do not hesitate to get in touch.

Phil Temple
Headteacher

Overview

Titus Salt School is an exciting school in which to work with a friendly and supportive body of staff. We have a well-established model of distributed leadership that provides support and challenge for all members of staff. All faculties have a close link with a member of the Senior Leadership Team to ensure our model is effective in practice. The successful candidate will be working in an environment where teaching and learning is at the heart of all we do. They should have the ability to be flexible in approach, work well as part of a team and be willing to bring fresh and positive ideas to the school. In return we offer excellent

opportunities for in-service training, practical and considerate support, and genuine and exciting career development through an engagement in forward thinking, evidence-based, educational practice.

Senior Leadership Team (SLT)

Our ethos and values

Our focus as a school is on providing high quality learning opportunities to allow all pupils to achieve; in an ever-changing educational landscape our mission is very clear and is summarised as:

together - **r**esilient - **a**mbitious - **c**aring

“together we can make a difference; resilient to change; ambitious to excel, caring for the lives of individuals.”

We regard achievement and success as a broad scale, from participating in Sports Day and breaking school records to having 100%

attendance, from achieving a personal best to being finalists in the Big Bang, from winning the national First Story competition to attaining target grades and, on Examination Results Days, we are delighted to have so many happy pupils, proud parents, carers and members of staff celebrating the success of examination outcomes.

It is so rewarding to see and experience the sense of achievement in gaining results for having done the best you can.

Visitors to the School comment upon the friendly ethos and the level of good relationships between members of staff and pupils. Parents and carers are very supportive and respond to new initiatives with enthusiasm. We have a range of support systems in place for both pupils and members of staff: “staff work hard to ensure the best outcomes for young people. They help pupils to become resilient to the many challenges of life. They show pupils what it means to be ambitious for their futures and care for others in the school community” (Ofsted March 2022).

We are very proud of our staff and pupils, especially the progress we have made. The role we are offering is a demanding one, but you will be joining a team that supports one another and enjoys each other's company. The development of all our members of staff is a key priority for us and valuing each other and the contributions made are highly valued.

Introduction to the School

Titus Salt School is a large, dynamic, mixed comprehensive situated at the foot of Shipley Glen, on the Baildon side of the River Aire. Immediately across the river is the model village of Saltaire, a fine example of the industrial architecture of the 19th century. The village and the school are named after their founder, Sir Titus Salt, one of the great Victorian entrepreneurs and philanthropists. We were delighted to welcome back the Salt family to the new school when Denys Salt, great grandson of Sir Titus Salt, took part in a ceremony to place the original seals in the Reception of the new building, and to approve the naming of our Sixth Form after him.

Over the moor above the school is Baildon. Once a small village, it now has a thriving population of 15,920, largely commuting into the nearby cities of Bradford and Leeds. The local landscape is one of natural beauty with the Yorkshire Dales only a few miles away. The school's catchment area encompasses Baildon, Shipley, Saltaire, Wrose and surrounding areas with a population of around 47,000.

Brief History of the School

Titus Salt School was developed from the Salt Factory School, founded in 1868 by Sir Titus Salt for the benefit of the workers in his textile business in Saltaire. The original building in Victoria Road, Saltaire, still stands and is now an annexe to Shipley College.

In September 2000, as part of the Bradford Schools' re-organisation, we changed from a 13 - 18 years upper school of 1,000 pupils into an 11 - 18 years secondary of 1,480 pupils serving the areas of Baildon, Saltaire and East Shipley. Within our mainstream setting we have a School-led Resourced Provision – Amelia Resourced Provision, of thirty places for pupils with moderate and multiple learning needs.

The main 'feeder' primary schools are Sandal, Hoyle Court, Baildon CE, Baildon Glen, Christchurch Academy, Saltaire Primary, Shipley CE, Low Ash, Wycliffe and High Craggs. The school has been over-subscribed for many years; the Governors agreed unanimously to increase the Pupil Admission Number to 250; each year there are Appeals for places and in September 2025 we have a Year 7 of 253 pupils.

An Inclusive Ethos

Titus Salt School (TSS) is much larger than the average-sized secondary school with a mainstream, 30 EHCP place Resourced Provision with currently 32 EHCP pupils with multiple Learning Needs and Difficulties. In addition, there are 80 pupils in mainstream school with an EHCP with the highest level of need being ASD – 31 pupils have an EHCP and ASD as their primary need, 53 pupils have an ASD diagnosis and no EHCP and a further 40 pupils are on the Autism Pathway. The school has a strong ethos of inclusion and champions the principles of comprehensive education. On average, 75% of our Sixth Form pupils apply to university with students studying a broad range of specialism from Veterinary Science at Liverpool University to Economics and Management at the University of Oxford. We also encourage students to apply for Apprenticeships as an alternative route after Sixth Form and recently we have had students gain apprenticeships with various companies including Rolls Royce and GCHQ.

The strategic development of the school seeks to support pupils and students of all abilities through collaboration, partnership, and a multi-agency approach. The school's curriculum meets all statutory requirements and ensures there is a broad and balanced curriculum between academic and vocational courses of study. The school's NEET figures, at the November collection point, have been 0% prior to the impact of COVID-19 and for 2023 was 1.0% - the two pupils were non-PP. Success at Titus Salt School is for all children and young people to achieve.

Amelia Salt Centre

Our Amelia Salt Centre houses our Special Educational Needs Centre, Caroline Salt Centre, Support for Children in Care (CIC) and our Resourced Provision (RP) for pupils with a range of learning difficulties; this was originally a fifteen-place provision but due to its success and the growing demand across the District for mainstream specialist places our RP has increased capacity to a thirty-place setting with demand for it to increase still further.

Mary Salt Centre

The Mary Salt Centre was established in September 2023 as a Nurture provision for pupils in Years 7 and 8 with additional needs and emerging SEND. The focus is on supporting pupils to make an effective transition to the demands of learning in a mainstream secondary school setting. A significant part of the curriculum mirrors mainstream curriculum with elements that are bespoke. The aim is to meet learning need and accelerate this, so pupils on the Nurture programme have opportunities to develop and access mainstream as they progress through the school.

Helen Salt Centre

The Helen Salt Centre is a provision established in September 2023 as part of a partnership programme with Bradford Local Authority aimed at pupils who present with Emotionally Based School Avoidance/Refusal (EBSA/R). The school has a strong partnership with Bradford's Medical Needs and Hospital Education Service (MNHES) which has a provision based in Shipley. The aim is to provide pastoral and academic support for children and young people who have anxiety and other mental health conditions. For many of these children and young people school is a trigger for anxiety, so our work is bespoke and incremental.

School Organisation

At present our structure provides 96 members of staff in support and 104 teaching staff including the Headteacher, two Deputy Headteachers and five Assistant Headteachers who constitute the Senior Leadership Team (SLT); in addition, we have two Senior Leaders. The school structure is based upon a Faculty system with Leaders setting the priorities and expectations. Currently there are ten faculties: English, Mathematics, Science, Modern Foreign Languages, DEFT (Design, Engineering, Food, Technology), PE and Outdoor Education, The Arts, Humanities, CBEM (Computing, Business, Economics, Media) and Social Sciences.

Linked into this structure is the pastoral system. Each year group has a Year Leader and an Assistant Year Leader who manage a tutor team for each year group, and there is a Year Teams Manager to support the whole team. Our pastoral teams work closely with our curriculum staff to incorporate oversight of the personalised learning agenda with a clear focus on maximising achievement for all and ensuring a curriculum fit for purpose.

School Operations and Administrative Support

This provision has been increased over the past five years and will continue as we respond to the needs of our children and young people. We already have in place:

Admin Operations Manager Attendance Safeguarding Manager Attendance Safeguarding Officer (2) Business Operations Manager Computing and Media Faculty Technician Cover Supervisor (2) Data Operations Manager Data Officer with Exams Support Data Officer with Timetabling Display Technician Exams Officer Finance Manager	Health Care and Admin Leader HR Operations Manager IT Operations Manager IT Operations Technician (2) Lettings Supervisor PA to Headteacher/SLT and Governor Link Procurement Officer Reception and Admin Assistant (6) SEND Officer Science Technician (3) Technology Technician (2)

The School Today

In September 2008 we moved into our Building Schools for the Future (BSF) Pathfinder Building, with accommodation and resources befitting the 21st Century. Every faculty has its own suite of rooms, with break-out spaces, and interactive whiteboards and laptops available in every classroom. Sporting and Performing Arts facilities are extensive and are enhanced by a large, all-weather pitch with access and lighting for community use as well.

We have an enviable record of achievement and a reputation for the quality of education we offer; for the care we show for individuals and for our growing links with colleges and businesses. We are proud of our academic record and our achievements across a wide range of sporting and extra-curricular activities. Our ethos is positive, friendly and courteous with a premium placed upon mutual respect between all members of staff and pupils. We expect high standards from our pupils in all aspects of school life - in academic work, in sport and recreation, in behaviour and uniform.

Our pupils and students have received commendations from Examination Boards at GCSE and A level; pupils have been placed amongst the first five in the country for a range of subject and the majority of our Sixth Form students go on to higher education.

Titus Salt School is an inclusive school and significant investment has been made to develop provisions and resources to target needs. This ensures learning needs are met and that we are ambitious for them and their future. Being inclusive brings challenges in comparison to national benchmarks. We firmly believe meeting individual needs is more important than constructing systems to chase headline figures.

The Curriculum and Setting Arrangements

There are nine teaching groups in Years 7-11, which are set according to subject criteria. This setting is regularly reviewed and revised as necessary. Benchmarking is undertaken through KS2 projections. Transfer information is also used, as well as primary commentaries on ability and progress which have developed significantly with our emphasis on close liaison with all feeder schools.

Key Stage 3

The Key Stage 3 curriculum is developing as a three-year focus on knowledge acquisition and skills development with Year 9 as a bridging year in preparation for being able to apply key skills and knowledge to learning at KS4. Schemes of Learning have been either adapted or re-written to focus on a model of “Competency” to ensure pupils are able and have the knowledge and understanding as well as skills to apply to different learning contexts. Through the work of Faculty Leaders there is a developing focus on research and evidence-based programmes that are impacting on school improvement and pupil progression as they move through a spiralsised curriculum.

All pupils' study:

Science, English, Mathematics, History, Geography, German or Spanish, Technology, Computer Science, PE, RE, Art, Music, Performing Arts and Personal Development.

Our approach to changes at KS3 has been to build on the incremental developments already in place. The groups in KS3 mirror the personalised learning pathways at KS4. Many of our pupils arrive with low levels of literacy especially in reading and our Literacy Leader within the English Faculty is developing accelerated learning opportunities. In addition, many of our pupils struggle with the ability to understand and work with numbers and so numeracy remains as a further key priority.

Key Stage 4

We have introduced personalised learning pathways for all our pupils to embrace the more flexible nature of the 14-19 curriculum. Vocational opportunities are being extended using our own provision and in collaboration with a range of other partners. We are continually reviewing new courses to cater more effectively for our pupils. Central to our success is effective targeting and assessment of our pupils' needs and matching that to their own Individual Learning Plan.

Pupils are placed in to sets in core subjects as well as in some other subjects. The majority of pupils follow GCSE and BTEC courses, with three separate sciences offered to the more able. Pupils are encouraged to take at least one foreign language, but the opportunity exists to take three – French, Spanish and German.

We currently offer vocational courses in Health and Social Care, Business and Computing, Dance, Music, Sports Science and a range of other vocational subjects through our links with neighbouring colleges.

Other subjects are offered to GCSE level – Mathematics, English Language, English Literature, Biology, Chemistry, Physics, History, Geography, Art, Media Studies, RE, Music, Drama, Engineering, Food Technology, Design, French, Spanish, German, Psychology and PE. Other vocational and work-related curriculum activities are offered through a number of projects and schemes, some instigated locally and also through national organisations.

To celebrate attainment and achievement we have introduced unitised certification and Entry Level Qualifications throughout the curriculum.

STEM

STEM is a strength of the school, and we are proud that this has been acknowledged through the Excellence in STEM Award – we were the first school in West Yorkshire to have been presented with this award. The appointment of a Leader of STEM ensures we have a focus across the STEM subjects to work collaboratively across the curriculum and in the development of extra-curricular provision and opportunities.

Sixth Form – Denys Salt Sixth Form Centre

The KS5 leadership team rigorously monitors the progress of each individual student and has established high expectations supported by mentor programmes and quick response systems to support underachievement. This is clearly understood by students, parents, carers and members of staff and has proven very effective. Examination performances this year have seen our grades at A*– A above the national average at 27.88% and our A*– B grades at over 50%. Progress outcomes for GCSE English and Maths retakes continue to show improvement; in Maths, students improve by over half a GCSE grade and in English the average improvement in attainment is over one third of a grade. The Leadership in Sixth Form has become more rigorous with a Director of Sixth Form and a Sixth Form Manager who closely monitor student progress and are responsible for partnership work with Faculty Leaders to deliver effective intervention to ensure students are on track to be the best they can be; they also have responsibility for student wellbeing and we are very proud of our pastoral support given to students.

The following A Level courses are offered:

English Language, English Literature, Mathematics, Further Mathematics, Art, Photography, Biology, Chemistry, Computer Science, Criminology, Product Design, Engineering, Economics, French, Geography, German, History, Media Studies, Music, Physics, Psychology, Religious Studies, Sociology, Spanish and Textiles.

The following Vocational courses are offered:

Business, Performing Arts Dance, Health & Social Care, Performing Arts Music, Applied Science, IT and Sports Science.

Activities

Drama/dance productions and musical performances are a feature of school life and many national companies use our school as the focus for theatre workshops. School productions are many and varied. Since moving into our new school, we have had annual productions including Joseph and his amazing technicolour dream coat, Little Shop of Horrors, Jane Eyre, Alice in Wonderland, Beauty and The Beast, The Wizard of Oz, High School Musical, Strictly Musicals and Annie. We have a choir, orchestra, jazz band and smaller ensembles which perform on a regular basis in the locality and further afield.

Our Award Ceremonies celebrate the diversity of our pupils' successes, seeing us move away from one large Presentation Evening to a series more pertinent to each Key Stage.

Various exchanges and visits are undertaken each year with other European countries. We have previously, successfully worked in partnership with Amandus-Abendroth Gymnasium in Cuxhaven Germany as part of a two-year Comenius project which included pupils from different year groups creating an animated film with a professional animator: "The Young Musicians of Cuxaire"; we have recently completed a three-year Erasmus Plus project to produce a Language Learning App – "Appy to Learn"

Sporting achievements and activities have a high profile and we offer a diverse range of opportunities for sport, health and wellbeing; our PE Faculty was revised in 2015 to include Outdoor Education as well as a successful Duke of Edinburgh (DofE) programme – we became a DofE Direct Licensed Centre in 2015 with pupils completing the Gold Award and being presented with certificates at St James' Palace as well as a significant number on the Bronze Award starting at the latter stages of Year 9. We also organise a range of international and UK based trips including skiing and watersports; visits to London to

enhance learning in Media Studies, Art, History, English Science and Economics as well as visits to Edinburgh, Paris, power stations and research centres.

Job Description

Post: Inclusion Support Assistant
Scale: Band 5 (SCP 6) 37 hours per week, term time only + 5 days

The following information is provided to assist staff to understand and appreciate the work content of their post and the role they are to play in the organisation. However, the following points should be noted:

- Whilst every endeavour has been made to outline all the duties and responsibilities of the post, a document such as this does not permit every item to be specified in detail. Broad headings, therefore, may have been used below, in which case all the usual associated routines are naturally included in the job description. It will be reviewed at least once a year as part of the school's Appraisal process and it may be subject to modification at any time after consultation with the post holder. The post holder may be required to take on responsibilities throughout the school as required, at the discretion of the Headteacher - taking notice of training undertaken or by providing it, and appropriate safety factors.
- Officers should not refuse to undertake work, which is not specified on this form, but they should record any additional duties they are required to perform and these will be taken into account when the post is reviewed.
- As an Equal Opportunities Employer we require our employees to comply with all current equality policies both in terms of equal opportunity for employment and access to the Council Services. The post holder is subject to all relevant statutory and institutional requirements and shall uphold the school's policy in respect of child protection and safeguarding matters.
- The school is committed to making any necessary reasonable adjustments to the job role and the working environment that would enable access to employment opportunities for disabled job applicants or continued employment for any employee who develops a disabling condition.
- This job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed.
